The one-stop shop for the  
plastics processing industry.

# Long goods pallets

---

Meraxis is the one-stop shop for the plastics processing industry. We supply customers worldwide with standard and technical polymers, recyclates as well as tools and systems for plastics processing - all from a single source.

---

We offer long goods pallets for your individual application. For internal and external transport as well as for storage. Many years of procurement expertise and global presence are just some of our advantages.

**Meraxis AG**
